Fuel: lts

OVERVIEW

Ferretti Yachts 750 represents another step forward in the development of the Ferretti Yacht range over 70 feet, featuring a 22.75 m overall length and a 5.70 m full beam. Evolution of the successful Ferretti Yachts 720, it features many relevant innovations, both inside and outside. Result from the settled collaboration between Studio Zuccon International Project, AYTD ? Advanced Yacht Technology & Design and the Ferretti Group?s team of engineers, architects, and designers, Ferretti Yachts 750 immediately strikes the attention for its outer profile, which is even sleeker and sportier, thanks to the new flybridge with an elongated tail. The model will be presented in its standard version, without hard top; upon request, it can be equipped with a large bimini top, approximately 5 meter long. The flybridge (...)
